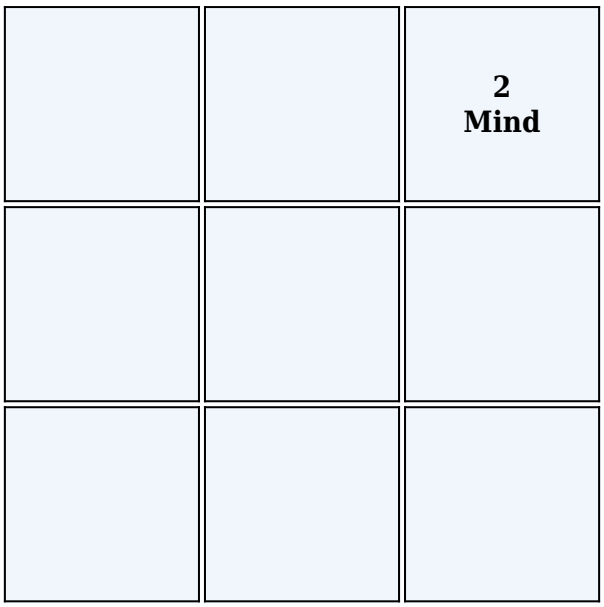
Mind Number: 2 (Moon)



2, 11, 20, 29,

These are all Chandra (queen) marks. These dates are weighed in the clock and their decision-making power is lacking. They like the company of loved ones and women. They take people's comment to their heart very quickly and never want to have the power of number 1, it means like to stay behind and there is a feeling of jealousy. They have the leadership qualities of running a householder, but not in other types of work. But they cannot work alone because this number is the female prime number. They are emotional and always in dreams. 11 is a great point. Those with numbers 2 and 20 are the ones who talk from their heart. Numbers 29 are like moody swings, swing sometimes goes up and sometimes goes down. The number 2 would have been dear to the mother. They like to accompany his mother.

Due to the influence of the Moon in them, there is a change in nature. They are sensitive, imaginative and intuitive, a little timid and quick to decide. Some people call them weak and they are considered powerless. If they want to increase self-confidence, then they can gain height only if they go towards spirituality. Just as the moon does not have its own light, similarly it depends on others. Such natives like to live in solitude. They want to tell the feelings of the mind to others, but no one listens to them. If they want to buy something, they will not be able to take it and will seek the number 1 together, but they have very good power to listen to others. They always like to work slowly. These people are lazy. Their physical strength is not very good,

they enjoy good work.They have a lot of ups and downs in their lives and do not remain firm on one idea or plan. Their plans keep changing and leaving one work and starting another. They get an idea of what is on the mind of any person and why it came. It can speak in the company of lesser people. The hidden ironical qualities within them are understood by their interactions such as movement, texture, gesture, and makeup, eating and drinking, getting up and sitting. They like to stay out of the house. They make attractive and strangers as friends, but due to lack of thoughtful perseverance, friendships do not last long and most people will take out their benefit and then leave.

Body Number: 7 (Ketu)

Keywords: Analysis, Understanding, knowledge, wisdom, introspective, analytical, spiritual.

People with a destiny number 7 need time by themselves to grow in knowledge and wisdom. They have their own special, unique approach to everything they do. This gives them great originality, but also means that they find it hard to make changes and adapt. It also can sometimes make it difficult for them to feel comfortable as part of a group.

Sevens prefer a few close friends to large groups of acquaintances. They can be hard to get to know initially as they product themselves with barriers, but they make good friends once they fully trust the other person. Reserved, cautious and introspective, sevens are spiritual people and their philosophy of life grows and develops as they go through life.

People on the negative side find it impossible to get close to others and hideaway. They become increasingly introspective and self-centered.

This is an average match. It will be seen singing the qualities of the place where it sits. They do not have any existence They have very looseness. They have to bear humiliation due to looseness. If the number 5 and the numeral 1 are disturbs in their chart, then they get used to forgetting them. It does not move forward in its life without any success. Life is non-directional in life and do not go on purpose. They need to run.

There are problems in their married life too, but it becomes visionary. Mysterious is the brain. Their mind moves away from their work and runs in another area. There is interest in the intelligent flesh, they are interested in the tantras-mantra and the mystery and they like the solitude. They are more attached to the family than their work. Due to greater affection to the family, they have to face difficulties in the work and leave the job incomplete. If their names are not correct then they would prefer to stay away from the family. Money can not be collected and marriage is late. Apart from this, there is a hindrance in success and they move forward by deceiving others.

The Meaning of "S" in Your Name

You are a real charmer. With a sense of warmth and devotion, you also feel things deeply -- this can lead to overly dramatic reactions and an intense inner life. Make sure you carefully consider every decision, and take care of your many emotional ups and downs.

Personal Year:

2026 - 2027 (62 Years)

According to Date of Birth: 6

Personal Year 6: This is the year for home and family. It is the perfect year to get married (or divorced). This is because the numbers simply “are”. They are neither good nor bad. Consequently, if a relationship is going really well, this is a wonderful year to make it permanent.

Conversely, if a relationship is foundering, this is the best year for the couple to part.

Because it is also a year of family, it is an excellent year to have a baby and the spend time with loved ones. It is also a year when you will be involved in helping others in some way and deriving great pleasure from it. It is a good year for moving or for making alternations to your existing home. You may redecorate or beautify your house and garden in some way. Most of your thoughts and energies will be directed towards your home and the people you love.

Keywords: Keywords: Home and Family

2027 - 2028 (63 Years)

According to Date of Birth: 7

Personal year 7: A 7 personal year is a quieter, gentler year. You will want more time than usual by yourself to think about things, to learn, or to meditate. Many people carry on with their education in some sort of way during a 7 personal year. Even if this is not a formal study, you will be learning and growing in knowledge and wisdom this year. It is an excellent year to make plans and to analyze things. Many people become interested in spiritual or philosophical pursuits in a 7 year. This year is a sabbatical year in many ways. You will be less interested in striving after material possessions and more interested in developing inwardly.
