Personality Analysis - Name Numerology

Profile Details

Name: MS Dhoni

Date of Birth: July 7, 1981

Mobile Number: 0

Firstname Number: 7

Totalname Number: 29

Hidden Name Number: 36/9

Soul Number: 8

Heart Number 8

Keyword: The person is materialistic at heart and loves power, position, and wealth. With executive abilities and, business-like approach, he is capable of achieving big.

Prediction: You have a deep need to manifest financial security that allows you freedom to make a difference in the world. When you look deep into your core, you have an underlying and pressing need to gain

self-mastery in a profound way. Your heart's desire is to achieve and succeed with business and organization-not to mention personal power, control, authority, and above all, ethics. The 8 is a relentless taskmaster and demands that you understand and employ all your abilities to achieve financial abundance and also to give to others generously. When you realize that you're here to achieve power and abundance and then act on that knowledge, your heart's desire will be fulfilled. You're a masterful leader. You're meant for positions of power and therefore often experience authority issues throughout your life. When you're thriving financially and giving generously from your heart, you're doing what you were born to do. Money and power are a consistent theme in your life one way or the other. The number 8 demands that you dig into your power and move through obstacles. It also means that you have to step it up and make up your mind that you're in the world to make your mark.

Struggles: Right out of the gate, you have authority issues. This pressing and intense desire to master the elements of the material world is underneath all that you do. When you are at your own place, you may become an opinionated control-freak. Steer clear of greed, ruthlessness, or being overly opinionated and over bearing. You can be easily misinterpreted because of a gruff, direct, and opinionated manner. Some of your internal struggles might include perpetual issues with money and empowerment.

Suggestion: Focus on wealth and abundance. Remember that as you give, you receive. It's your task to learn to be a confident and charismatic person without becoming corrupted or hardened by power and money. Remember that you have amazing potential for improving the lives of a lot of people. Don't allow the pursuit of money to overshadow your ability to build healthy relationships and don't be so stubborn! Listen to other peoples' advice; they can help you build your empire. Dig deep and tap into your sense of personal empowerment. If you struggle with money, start with healing and establishing your sense of yourself by establishing and acting on your personal boundaries.

Personality Number: 3

Personality Number 3

You are a creative, skilled communicator and extremely good company. You're extrovert, charming, cheerful, and optimistic - things are always going to get better. You enjoy considerable success, especially if your career puts you in the public eye or capitalizes on your ability to communicate. Clothes are important, although you prefer to dress in your own style rather than to slavishly follow fashion. You need a busy, varied life otherwise you will become jaded and bored. The same goes for relationships - anything that becomes too much of a routine, too predictable, or restricting will make you unhappy and could send you off in search of pastures new.

Hidden Passion Number:

Number	4	3	5	7	1
Count	2	1	2	1	1

Number: 4

Below average: No 4's represent a karmic debt showing that the person avoided hard work, organization and practical approach to details in the past lives. Circumstances demand concentration and practicality that may be compensated by 2's, 6's and 8's. if he is strong in l's, 3's, 5's, and 7's hard work and concentration can be a problem for him. Numero Power

Number: 3

Below average: having no 3's is a karmic debt showing lack of self expression and optimism in past lives. He is likely to have inferiority complex, lack of self confidence and feel discomfort in social gatherings. he will face problems with self expression unless other numbers are supporting.

Number: 5

Below average: one or two 5's indicate lack of understanding of others and fear of facing the world. Adaptability should be developed, rigidity avoided and they should try to rise above their feelings of weakness.

Number: 7

Number: 1

Below average: One or two 1's show lack of self confidence and inability to take decisions. May feel dominated by others. Normally cooperative, charming and selfless.

Karmic Debt:

Missing Number: 2

Missing Number: 6

Karmic debt: No 6's in the name happens frequently and shows that the person was not interested in responsibilities in past life. Circumstances will demand care for outsiders, while the friends and relatives will throw responsibilities at him which may prove to be a burden.

Missing Number: 8

Missing Number: 9

Karmic debt: Absence of 9 completely in the name shows lack of concern for others in the previous lives. The person may be selfish and unforgiving. Circumstances may be there to bring disappointments unless he learns to care for others with love and forgiveness.
