Personality Analysis - Name Numerology

Profile Details

Name: MS Dhoni

Date of Birth: July 7, 1981

Mobile Number: 0

Firstname Number: 5

Totalname Number: 37/10

Prediction for 37

Hidden Name Number: 17

Soul Number: 6

Heart Number 6

Keyword: The person is harmonious, sympathetic, and responsible Deep down in his heart, he craves for beauty, companionship, and love, without which he cannot progress.

Prediction: You have a deep need to provide loving service and a

nurturing environment for yourself and your loved ones. When you look deep into your core, you have an underlying and pressing need to nurture and serve, plain and simple. Whether it's your family and loved ones or your business or community, you are a master at creating beauty, harmony, and balance. You have a polished presentation about you and denote an air of authority in whatever you do. You're a natural counselor who can see the "bigger picture". You're an idealist and a perfectionist. You may find yourself in positions of responsibility early on in your life. You're a people pleaser. Your true calling is in healthy nurturing, compassionate detachment, acceptance of others, and adding beauty to the world. You're in your element when you're expressing gratitude, generosity, acceptance of others, and giving comfort to others in times of need. You express your soul's calling through love and service.

Struggles: One of your specialties is damage control. You stir things up in order to have a problem to focus your energies on. Some of your internal struggles might include self-righteousness, codependency, or meddling martyr. You'll have a tendency to lose yourself and your identity because you're so busy taking care of others.

Suggestion: Give yourself permission to accept things when life is good and smooth! They'll always be another problem to solve down the line. No need to push it. Beware of partnering with someone who is more of a "patient" than a partner because you'll find yourself becoming an enabler rather than a nurturer. Remember that your mission is to balance and modulate your sense of responsibility - not overly responsible and not overly irresponsible. When you extract yourself from your self-imposed world of "shoulds," you're on the right track.

Personality Number: 22/4

Personality Number 22

It's hard to ignore you, partly because of your charisma and magnetism, and partly because you make tremendous success in your life. You have the ambition and determination to get on top of whichever area of life you

concentrate on, although you should resting on your laurels, giving up halfway through a project or assuming that you know more than you do about a subject. In relationships, you may be slow to commit yourself, which can be frustrating for your partner, who won't know where they stand. Once committed, however, you are extremely faithful.
