Body Number: 9 (Mars)

Keywords: Humanitarianism, selflessness, idealist compassion, completion, universal love.

People with a destiny number of 9 are inclined to be self-sacrificing. Sensitive, caring people with a strong need to serve others, they enjoy helping others and frequently give much more than they receive in return. Consequently, they can easily be taken advantage of by others. Nines are romantics at heart and are profoundly disappointed when their deep, true love is not returned. These humanitarian aims of the nine are usually slightly detached and universal in scope. Nine is the third creative-number and these people often express their creativity in writing, though it can come out in many different ways.

You will find many negative people having destiny number nine. This is because it is so difficult to remain selfless and giving in a materialistic world. These people try taking instead of giving. They never find any satisfaction in this, as they are fighting their true nature.
